

Product Features

- Compatible with M900P
- Easy installation

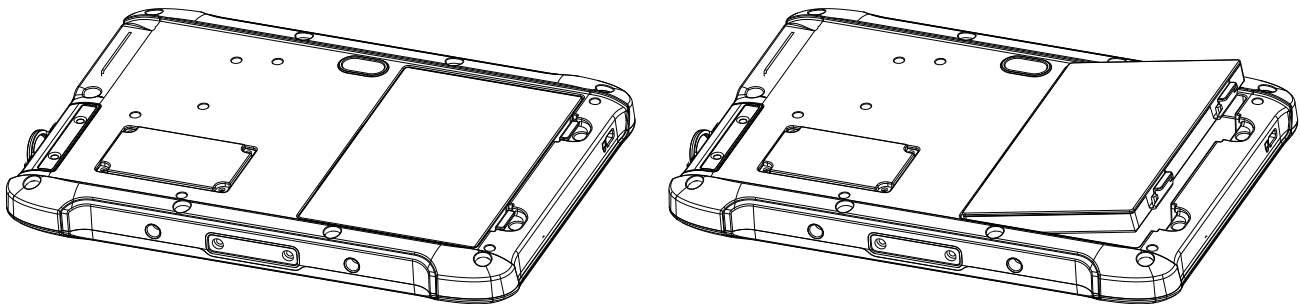

Mechanical Drawing

Dimensions	118.25 x 83 x 10 mm
Weight	170 g
Color	Pantone #426C

Installation Procedure

Specification

Voltage/ Capacity	7.6V (typ.), 4200 mAh
Composition	2S2P Li-Polymer Re-chargeable Battery
Operating Temperature	Standard Charging: 0~45° C Standard Discharging: -20~+60° C
Life Cycle	≥ 300
Certification	BSMI, IEC62133, UN38.3
